YOR Digestive Enzymes™ supports the digestion of a variety of foods and beverages, making this formula ideal for use with every meal. It contains three patented formulas and other specific ingredients to promote the digestion of protein, carbohydrates, dairy, and fat. **YOR Digestive Enzymes™** addresses the most common issues associated with incomplete digestion, encourages nutrient absorption, supports nutrient metabolism and aids energy production, contributing to overall health.†

YOR DIGESTIVE ENZYMES™ is designed to:

- **Include Aminogen® for protein digestion and Carbogen® for complex carbohydrate digestion †**
- **Include Legumase® for the digestion of sugars found in beans, legumes, fruits, and vegetables †**
- **Include lipase for breaking down fat, and lactase for breaking down milk sugars †**
- **Increase absorption of important nutrients and improves energy utilization from food †**
- **Help reduce uncomfortable symptoms associated with incomplete digestion †**

Directions: As a dietary supplement, take one (1) capsule with small meals and two (2) capsules with large meals. Take with at least 8 oz. of liquid

Supplement Facts

Serving Size: 1 Capsule

| | Amount Per Serving | %DV* |
|--|--------------------|------|
| YOR Digestive Enzymes™ Proprietary Blend | 150 mg | |
| Aminogen® (protease from <i>Aspergillus oryzae</i> and <i>Aspergillus niger</i>) | 2.5 AU | * |
| Carbogen® (amylase, cellulase and hemi-cellulase from <i>Aspergillus oryzae</i> and <i>Aspergillus niger</i>) | 200 CGU | * |
| Legumase® Plus (beta fructofuranosidase from <i>Saccharomyces cerevisiae</i> , cellulase from <i>Trichoderma viride</i> , hemi-cellulase from <i>Aspergillus niger</i> , lipase from <i>Aspergillus niger</i> , fungal amylase from <i>Aspergillus oryzae</i> , and acid protease from <i>Aspergillus niger</i> var. <i>macrosporus</i>) | 2,000 LPU Units | * |
| Lipase (from <i>Aspergillus niger</i>) | 2,250 LU | * |
| Lactase (from <i>Aspergillus oryzae</i>) | 150 ALU | * |
| Phytase | 15 PU | * |
| Amyloglucosidase | 18 AG Units | * |

* Daily value not established

Proprietary blend values may vary batch to batch

Other Ingredients: Maltodextrin
